

## Affiliate Agreement

As a member of WellvilleSpa Affiliate Program I agree to the following:

This agreement is made between WellvilleSpa LLC, a private membership group and Affiliate referenced by name and signature below effective on the date of execution as indicated below.

1. **Compensation** – The compensation is determined by net sales to sponsored members referred to WellvilleSpa through direct referral or web banner or any other marketing efforts applied by said affiliate.
2. **Affiliate Responsibility** – Affiliates are responsible to promote and support the efforts of WellvilleSpa members and to enlist as many new members as possible to the program.
3. **Payment Schedule** – WellvilleSpa will disperse affiliate commission checks on a quarterly basis. Commissions are paid on net sales. Affiliates are viewed as independent contractors and are liable for any personal or business tax reporting.
4. **Product Claims** – Product claims are regulated by law relating to the performance of a product for the user. I understand that those members of the Club that provide services or advice do so in the capacity of fellow member-facilitators in a private manner and not in the capacity as public health-care providers. I understand that within the Club no Public-Doctor-Patient or Public-Therapy-Client relationships exist. Within the Club, I freely choose to change my legal status from that of a Public Health-Care Recipient, to that of a Private Membership Club care recipient. I realize that in doing so I relinquish certain Federal and State protections and privileges.
5. **Support** – WellvilleSpa provides a large library of educational information on our protocols and products. Affiliates agree to educate themselves and try to attend WellvilleSpa sponsored training events
6. **Non-Disclosure** – Affiliate agrees that by its nature, sharing WellvilleSpa information constitutes sharing confidential information and is restricted to WellvilleSpa private members.
7. **Trademark** – Affiliate agrees to limit use of WellvilleSpa trademarks exclusively to marketing and sales of WellvilleSpa programs and related products.
